

DAY CAMP EVALUATION

Day Camp is a cage-free service designed for social dogs to play and have fun. Safety is our primary goal, therefore, Day Camp is not for every dog. It is not a place for aggressive dogs to learn how to be social. To be accepted into our Day Camp program, each potential Day Camp guest must:

- 1 Be at least 12 weeks of age and have completed their full series of vaccinations, including the Bordetella vaccine and a negative fecal test with Giardia within the last year**
- 2 Meet our vaccination and temperament standards**
- 3 Be spayed or neutered (except puppies under 10 months)**
- 4 Attend a day camp evaluation day and be deemed "safe for play"**

Overnight guests attending Day Camp must be accepted prior to first day of stay. Clients are strongly encouraged to make reservations for their dogs to attend Day Camp. Day Camp is limited in size, so please book ahead to avoid disappointment. Priority goes to clients with standing reservations. We request 24-hour notification for cancellations in order to properly staff a safe play environment.

Owner's Name: _____

Cell Phone: _____ Alt. Number: _____

Pet Name: _____

Has your dog been around:

Big dogs? Yes No Little dogs? Yes No More than 5 dogs? Yes No

Describe your pet's activity level: Low Medium High

Has your pet had obedience training?: Yes No Is your pet house trained?: Yes No

Has your pet ever bitten a person?: Yes No

If yes, please explain: _____

Has your pet ever bitten another dog?: Yes No

If yes, please explain: _____

ASSUMPTION OF RISK: Owner acknowledges and is aware that the employees of Smart Parke are not veterinarians and do not have backgrounds in animal medicine and are not expected to diagnose or detect illnesses in the dogs utilizing Services at Smart Parke. Owner understands that the Service's leash-free environment allows dogs the opportunity to play in close physical contact (including nose-to-nose) with each other: Owner further understands that dogs are pack animals, lead with their teeth and paws, and are unpredictable in nature. As a result, no amount of vaccination requirement, supervision, sanitation, or personalized care from Smart Parke can be 100% certain to prevent Dog from being injured or contracting an airborne virus or communicable disease. Despite these precautions, Owner understands these risks are inherent to the Services and hereby releases Smart Parke, its employees or members or other agents, from any and all losses, damages, costs and expenses arising out of or in connection with any injury, communicable disease, airborne virus, or any other medical condition contracted by Owner's Dog at Smart Parke. This also applies to any claims for injuries or damages related to such medical care or transport. Furthermore, Owner agrees to be held solely responsible for any and all acts and behavior of Dog while in the care of Smart Parke, including payment of costs for injury to staff or other animals or damage to facilities cause directly by the Dog.

Owner further understands that dogs play and lead with their teeth and injuries including cuts, scrapes and puncture wounds can be a result of play and not necessarily aggression. Owner agrees to be responsible for all damages and medical treatment for all injuries to dog. Owner also understands and acknowledges that if an injury is proven to have occurred due to unprovoked aggression, Owner of aggressive dog is responsible for medical treatment of injured dog.
